

How to...

If you have the below message, then you must click the right button on your mouse and select « save as » (= «enregistrer » in French).

Please wait...

If this message is not eventually replaced by the proper contents of the document, your PDF viewer may not be able to display this type of document.

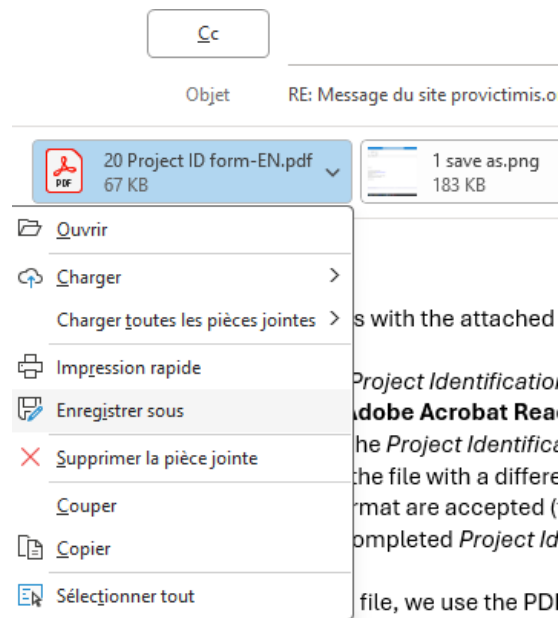

You can upgrade to the latest version of Adobe Reader for Windows®, Mac, or Linux® by visiting http://www.adobe.com/go/reader_download.

For more assistance with Adobe Reader visit <http://www.adobe.com/go/acroreader>.

Windows is either a registered trademark or a trademark of Apple Inc., registered in the United States and other countries.

If you have the below message, then simply select « save as » (= «enregistrer sous » in French) among the options of the attached file :

If the above steps do not work for you, then we coul

1. Save the attached Project Identification Form on your computer (on the “desk” for example)

2. You should then be able to open the file. You must open the file with **Adobe Acrobat Reader** and only with Adobe Acrobat Reader <https://get.adobe.com/uk/reader/>
3. Fill in the boxes of the Project Identification Form with the necessary information

The screenshot shows the Adobe Acrobat Reader interface with the 'Project Identification Form' open. The form is divided into three main sections: 'Person submitting the application', 'Organisation submitting the application', and 'Short information on the project'. Each section contains several text input fields for user information.

Project Identification Form

Person submitting the application

Family name (surname)

First name

Function / position

Email

Instant messaging (ex. Skype)

Organisation submitting the application

Name of the Organisation

Acronym/abbreviation

Address

Postal code

Town

Country

Email

Website

Social media (ex. FB, Twitter, etc.)

Short information on the project

Project title

Country where the project takes place

Start date (dd/mm/yy)

End date (dd/mm/yy)

4. Once you finished, select file, then save ("save as...") the file with a different name.
5. Only files in PDF format are accepted (this is a special PDF format).
6. Send us back the completed *Project Identification Form* with all the documents mentioned on page 3 of the sheet.

The screenshot shows the Adobe Acrobat Reader interface with the 'Project Identification Form' open. The 'File' menu is open, displaying various options for saving and managing the document. The form fields are visible in the background.
